CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

Void After: December 2010

Product: **California Lead Plumbing Law - Devices and Components** File No. 6675

Issued To : PRECISION PLUMBING PRODUCTS
6807 NE 79TH COURT
PORTLAND, OR 97218

IDENTIFICATION: Each fitting shall bear permanent and legible markings to identify the manufacturer. This marking shall be the trade name, trademark, or other mark known to identify the manufacturer. The product may also bear the term "California Lead Plumbing Law" or "Complies with California Lead Plumbing Law" above or in close proximity to the appropriate IAPMO R&T certification mark and if the products meet requirements of the Uniform Plumbing Code.

CHARACTERISTICS: Plumbing products to be installed in accordance with the manufacturer's instruction.

Manufactured in compliance with Section 116875 of the California Health & Safety Code.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.
