

PRODUCT SPOTLIGHT

ORION

RionFuse CF[®] (clamp-free) Joining System

for Polypropylene Acid Waste Systems

Rionfuse CF
for the
strongest
joint

RionFuse CF[®] Benefits

- No Clamps required
- Strongest Joint in the industry
- Proven Joint Design (similar to gas fittings)
- Multiple Joint Capabilities
- Fusion Indicators - to show when a joint is complete
- Coil is Integral to Joint - no separate parts
- Continuous Coil throughout Coupling - both sides fuse at the same time saving installation time
- Available in Polypropylene and PVDF
